### Title

PC007 - Clarification

SCHEDULE IMPACT

Probable

COST IMPACT

Probable

## RETURN BY

Sep 19, 2024

### Information Requested

In the change notice it states to replace any removed backflow prevention devices. However, there was nothing there to be replaced but a backflow prevention device with strainer is recommended, please confirm with engineer if this should be added to the quote for this extra and anything else they suggest to be added for this pipe serving the splash pad so we can submit quote asap.
