Title

DHU-01 curb placement

SCHEDULE IMPACT

Probable

COST IMPACT

Probable

RETURN BY

May 8, 2025

Information Requested

DHU-01 roof curb on lower level roof above the mech room shown being placed east - west, with that orientation there's not enough room for the duct work to be installed properly. If the unit were to be rotated 180 degrees to the north south orientation, there would be enough room to make it work. Please advise if Structural steel will support the rotation of the unit.
