Information Requested

The reviewed shop drawings are asking for louvers as an anodized finish for the Basement & Penthouse louvers.

Please note that Ventex colours Ivory V1020 & Charcoal V1022 cannot be provided with an anodized finish, as they are only available as powder coated finishes.

If an anodized finish is required Ventex offers standard options such as Clear, Black, Bronze - light / med / dark or Duranar finish to match. This will be extra to supply.

Please advise!
