Hi Andrew,

We must delete 1.5 hrs for insulation and insulation cost from COR003. That was priced as wrap insulation only(mistakenly) but as this is outdoor it must be rigid board with Venture Clad what we submitted in 004. I will ask Inzaman to revise COR003 less the insulation and send for your records, thanks.

Good morning Mohammed,

Can you please provide breakdown of COR004? As I understand, this is meant to replace the previously approved 003.

Kind regards,

Hi Sandro,

We have two color options on the duct wrap, White or Silver. Which one do you want?

Good morning.
The duct work was completed probably 3 to 4 weeks ago.
Wondering when this will get wrapped.

Thank You
