### Title

Cleanouts Clarification

### SCHEDULE IMPACT

Probable

### COST IMPACT

Probable

## RETURN BY

Jan 28, 2025

### Information Requested

Refer attached, the cleanouts spec'd have a membrane clamp. However no membrane being installed at site. We propose replacing them for solid body with gasket cleanouts to prevent sewer gas seepage. There's a total of 5 bodies that needs to be swapped.  
Please advise on the way forward.
